Troop 1127 Armstrong Creek Scouts and Family Camp Outing (June 15-18, 2017)

Bob and Lark Derrig and a few others are camping at Laura and Gordon lakes in the Nicolet National Forest near Armstrong Creek (North of Hwy. 8 West of Pembine - about 2 1/2 hours from here) from Thursday to Sunday June 15-18, 2017 and scout families, scout alumni, and friends are invited as well. This is the same weekend as Father's day and is usually the opening day of bass fishing. This is a neat area with two small lakes that are nice for canoeing and fishing (fishing....not catching...), nice campsites, swimming beach, and except for our group are mostly quiet family campers. You will have an opportunity to canoe, kayak, fish, swim, hike, bike and act as mosquito bait (also one or two ticks). We usually take canoes and kayaks up for people to paddle around on. Lark and I go up on Thursday morning so we can grab open non-reservable sites for people coming on Friday etc. There is no electricity in this campground but there are nice level sites to set up campers if you bring one. Please call Bob Derrig at 388-3660 or relevel sites to set up campers if you bring one. Please call Bob Derrig at 388-3660 or relevel sites to set up campers if you bring one. IF you are a BOY SCOUT who wants to this outing but your family isn't going. ...Please contact Josh Wessel (Scoutmaster) so he can try to work up rides/meals etc at jwessel3206@yahoo.com Transportation: We may need drivers to help haul a canoe and kayak trailer. If your vehicle has a hitch (1 7/8" ball) and you can help out please check that area off below.

If you have any questions about the Armstrong Creek Outing (map or directions etc.) please call Bob Derrig at 388-3660. Please E-mail or call me by Sunday June 10 if you are interested in going.
